Worksheet for Peer Consultation
Professional Development Seminar # 5
Peer Consultation: Strategic Problem Solving

✓ What is a challenge or a key barrier in your community, state, tribe, or territory for expanding systems of care?

✓ What would be helpful to you from your peers in addressing this challenge?

✓ What is your role in your community, state, tribe, or territory?

✓ What are five points important to understand the context of the situation?

✓ Next steps? (Post consultation)
