Utah Partnership for Youth Transition
2002-2007
Lessons Learned

Clinical work informs policy work

Identify opportunities

Identify what motivates others

Braid initiatives

Give away initiatives
Examples

Emancipation Law

Driver License
Healthy Transitions Initiative

Accidental tourist turns into seasoned traveler

Identify issue(s) to be addressed
Identify opportunities and barriers
Identify the lead and partner agencies/individuals
Healthy Transitions Initiative

Develop a plan to garner support (buy-in)

Clearly outline the reason for policy initiative

Identify desirable outcomes and possible unintended consequences

Identify fiscal implication of the policy initiative
